A Son is given

And the government
 E C#m B A
Will be on His shoulders
E2 B
And He shall be called
A2 C#m
Wonderful, Counselor
A E/G# A E
Almighty God, The Prince of Peace

E
O Holy One You came into our world

To be our sacrifice

O Precious Lamb, be near to us

Be near to us this day.

Still, starry night
Angels sing of a newborn king
Shepherds bend their knees
Wise men give their gold
A lamb pure and white
To a darkened world
Brings a dawning light
To heal our disease
And carry our shame
